When we do find time to remember the past, We have this, our high school annual, where at last We can see the faces of all our friends And think of our high school days once again. In Coach Murphy's seven years of coaching at Stephenville High School he has proved to be one of the best coaches in this part of the country. He gained this fame by his outstanding character and his friendliness with everyone.

Coach not only taught the boys the fundamentals of football, but also to play the game fair, whether winning or losing. He was always behind the team regardless of the outcome.

This year Coach has had one of the best seasons of all. He coached the team to the quarterfinals where they lost to the Terrell Tigers, who later won the State Championship.

We congratulate Coach Murphy on his having a very successful season and one in which Stephenville High School will never forget.

We boys in the athletic department are most grateful to Coach Johnson for his faithful guidance. His stalwart, moral character has been an inspiration to us throughout the time he has been our assistant mentor. He has instilled in us his will to fight and to win honorably. His spirit of co-operation and his willingness to lend a helping hand always has been in evidence. We are proud of him and giad to call him "Coach" Johnson.

In the fourth year of work with the "B" team, Coach Allen Utterback has helped to develop athletes for the coming years that Stephenville High School can be proud of. He has devoted his tireless energy not only to the athletest of Stephenville, but also to the student body as a whole. His outstanding character, his personality, and his love and devotion of young people have made him a favorite among the students of S. H. S.

HERMAN KAUFMAN — "K'man"—Herman was que of the thoughest 160 pound ful backs in the State. He was honorablemention on several teams. He was a constant hustler. He was also a unanimous choice for the All-District Team.

CLAYTON ROBERSON — "Clut"—Quarterback for the Jackets, was one of the best hall handlers in the State. He was selected on the all district team. This is the seventh year in a row a Jacket quarterback received this honor.

JERAL JACKSON — "Woo-Woo" — 175 pound senior center for the Jackets, was the best blocker on the team.

Playing his second year as regular for the Jackets, he was selected on the All-District team.

ROBERT HERRIN — "Rabbit" — an allaround senior end. This was his second year as a Starter. His spirit and endurance kept the team going in tight places. His spectacular catches won several games this year.

JAMES TERRELL — "Jumor" — Left tackle for the Jackets, really showed up this year as one of the toughest defensive men in the State. He played his heart out in every game. He was selected on the All-District Second Team.

JAY RAY McCULLOUGH —"Jay"— A three year letterman with one more year of eligibility, if he chooses to take it. He was one of the biggest and fastest linemen in the State and earned a place on the All-District team by unanimous decision. Was a Jacket Captain.

PORTER GRIMES — Switched from a defensive back to a guard during spring training. He developed into one of the finest little linemen of the district. He was one of the Captains for the Jackets.

SAM TAYLOR — "Odar" — 155 pound fullback, had lots of drive and determination. He played in almost every position on the line and in the backfield. Sam was a great runner until he injured a shoulder at Cleburne and then became a star defensive man.

JIM MOBLEY — "Tucker" — offensive right end for the Jackets, he was most always on the receiving end of those quick little jump passes. He was always good for a firstdown. Jim also made a good blocker.

JOHN McLEMORE — a squadman from List year, really came through for the Jackets in the play-offs with Winters, Graham and Terrell, He was a steady performer who gave his all.

JOE PRICE — Joe was one of the hardest tacklers on the team. He received a head injury late in the season which hampered as pa t in the play-offs.

JERRY KEILBERG — "K-berg" Jerry was not one of the regulars but he had the spirit and determination that it takes to make a football player. He never complainted and always did his part well when asked to do so.

CHARLES ROBERSON — "Tubba" Switched from end to tackle, Roberson blossomed out into one of the finest linemen in the district. He has one more year for the Jackets and will be a great asset to them.

CLYDE HEMBY — Sophomore who was showing promise of becoming a good runner. He broke a collar bone in the Weatherford game and moved to Sherman.

JACK BISHOP — "Jarrin' Jack" — Although he was the smallest man on the squad, he was pound for pound the roughest. He had intestinal fortitude with a capital "G" He was a constant hustler who have gave up.

JOE GAINES — This was Joe's first year out for football and he really liked the game. He was big and strong and could really take it when the chips were down.

MACKEY MONTGOMERY — Fresh from the "B" team, Mackey really proved his worth. With two more years of eligibility, Mackey will probably be one of the finest backs Stephenville has had.

JERRY FLEMMONS — Jerry was regular defensive end and showed signs of real stardom. With one more year to go, he will blossom into the best all-around end the Jackets have had for awhile.

LONNIE LEATHERMAN — Lonnie was a big boy who really loved the game. He is another one with two years of eligibility and we are expecting Lonnie to be one more outstanding quarterback for the Yellow Jackets.

KENNETH PAIR — Ken really went all out for football; he was always in there fighting. He has two more years left to play and he should really help the Jackets.

CARROLL GENTZEL — "Gentzel" — A small lineman who could be depended upon to hold his end of the deal. Just a sophomore, he is expected to really help the Juckets next year.

DAN LANE — When Jeral broke his arm Dan stepped in and filled his shoes properly. He has one more year and will really boost the line next year.

JIMMY KELLEY — A real hard runner when he got started, and always hard to stop. He will help the Jackets next year because he never gives up. Jimmy was the best broken-field runner that the Jackets had, especially on punt and kick-off returns.

CHARLES WHITE — Charles was crippled most of the season but has shown that he is a sure tackler and dependable safety man. He has great possibilities as a runner, passer, and punter.

"B" Team

This year the Stephenville High School had a very good "B" team. The 'B' team played nearly every time the "A" team played. They showed a lot of spirit. Even when they were behind, they still were fighting with all they had.

The "B" team showed some good prospects for the "A" team next year. Most of the "B" team was made up of freshmen and sophomores. Some of these had never played basketball before, but they were willing to learn and try, and that is the reason they showed up so well.

Girls Basketball Team

This year for the first time in the history of Stephenville High School, we had a second to the first time in the history of Stephenville High School, we had also with warming-up uniforms.

The girls did considerably well for their first year. During the season the team played twenty-six games, winning thirteen of them. They also won the Desdemona Tournament and consolation tropby in the De Leon Tournament.

The seman began with Allen Utterback as the coach; but before the season was over Mrs. Woods came from Electra, Texas to coach the team. We are expecting to field a good team next year. We are not losing any girls and they will all have a year's experience in playing together.
